COMMUNITY DIRECTOR UPDATE

JANUARY 2025

GREETINGS FROM YOUR COMMUNITY DIRECTOR - LAURA WHITE

Happy New Year! A new year is a great time to reflect on the successes of the previous year and set goals to improve. My goal is to work with our team to improve our services and homes; and with our families to create a true sense of community. We have several long-term projects being put into place to protect our families and enhance their living experience. These include roof replacements, HVAC installations, window repair and replacements, as well as reassessing amenities such as our playgrounds, sidewalks, and roadways. Expect more updates on these projects in the coming months.

Our military families are unique in the challenges they face, and this makes our military communities just as unique. Be on the lookout for invitations from your community teams for resident events throughout the year; many in-person as well as virtual events that provide opportunities for you to get to know your community team as well as your neighbors. I look forward to an exceptional 2025 working together to make our Camp Lejeune homes a true community!

TEAM MEMBER SPOTLIGHT

Tyler and Greg Waylon were very professional and provided excellent service. They were able to quickly diagnose what was going on with the HVAC and get the unit repaired quickly. This was handled very well and we thank Hunt for allowing them to help us in our time of need!"
